

# **Essential Chromium Drops**

**The fastest absorbing chromium food supplement for maintaining healthy blood glucose concentrations**

- 1 bottle is approx. 2 month's supply (600 drops) 30 ml.
- Suitable for vegans, no GMO, FREE from alcohol, preservatives, sweeteners, gluten.
- INSTANTLY ABSORBING FORMULA
- EXACTLY 1 microgram Chromium in 1 drop – you are in control
- Safe and pure – superior ORGANIC complex
- Daily recommended use is 10 drops for adults

**Symptoms of Chromium deficiency include:**

- DEPRESSION
- CRAVING for SWEETS
- DECREASE in the body's ability to METABOLISE GLUCOSE and FAT
- INCREASED production of CHOLESTEROL and TRIGLYCERIDES

**New studies link Chromium to**

- HEART DISEASE
- DIABETES and
- CHOLESTEROL

**Advanced, organic formula**

**Recommended to people with:**

- DIABETES
  - MENTAL STRESS
  - INJURY
  - HEART DISEASE
- 
- Conditions such as **diabetes and heart disease** increase chromium excretion and therefore increase the amount of chromium needed by the body.

- ESSENTIAL BALANCE DROPS **DO NOT increase** your **appetite** and DO NOT cause blurred vision, inability to concentrate or dizziness.
- ESSENTIAL DROPS contain chromium particles in water-soluble organic forms – **the best form** for your body (well-being).
- Essential Drops range is the first product range in the world which contains **the ingredients** in a water-soluble fulvate complex form.
- A stable liquid solution, controllable doses.
- Essential Drops is a food supplement.
- Food supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle.

**Daily recommended dose:**

- Adults: 10 drops a day
